Subject: Ace Metal Company SLABs Annual Report 2010 & 2011

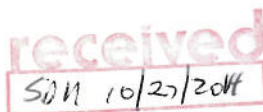

Good afternoon Eva Kreisler;

My name is Andy Law, the Office Assistant for Ace Metal Company. I had just came across this letter for spent lead acid batteries exporting annual report. After going through our company's record and confirming with the owner, Ace Metal Company did not export any lead acid battery in the years 2010 and 2011. We had intended to export to Korea, but since the market had been so bad we had not done any transactions within those couple of years. I apologize for the delayed response. If there are any further questions I can be reached at info@acemetalco.com or by phone at (425) 493-6802. Thanks. Have a nice day.

Sincerely;

Andy Law
